PROJECT MANAGEMENT

- Construction permits and ordinance approvals
- Hands-on execution of approved construction plans
- Skilled management team and field managers
- Experienced on-site leaders
- Incremental and final documentation
- Asset management and cost accounting
- CAD Services

COPPER/FIBER CABLING INFRASTRACTURE FOR ISP

- Turnkey installation services capability, including manpower and equipment
- Complete installation expertise in Fiber Optic SM and MM, CAT3, CAT5E, CAT6, CAT6E infrastructure cabling and terminations
- Design and Engineering for campus-wide LAN Installations
- CAD Services

SECURITY SYSTEMS

- Turnkey Design and Installation
- Camera Installation (Inside and Outside)
- UPS Installation for DVR
- Dedicated Power Service
- Access Control and Door Hardware for Security
- Monitoring Walls for Cameras and Access Controls System Card Readers

PROJECT PLANNING AND ENGINEERING

- Detailed scope of work
- Project budget projections and analysis
- Timeline development through commissioning
- Coordination planning among participants & vendors
- Complete engineering networkr design services
- Material and equipment specifications
- System integration planning

COPPER/FIBER OSP CONSTRUCTION

- Turnkey Construction Service for OSP
- Complete OSP Engineering and Design
- Copper and Fiber Splicing
- Directional Boring, Trenching and Plowing
- Placement of Manholes, Hand Holes and Conduit Systems
- Placement of Fiber Optic Cable (Blowing and Pulling)
- GPS Data Point Locate

WIRELESS NETWORK

- Wireless Network Design
- Wireless Security Design
- Mapping AP's and Heat Mapping
- Wireless Network Engineering
- Wireless Cabling Infrastructure
- Complete Testing of Wireless Network

DATA CENTER CONSTRUCTION

- Turnkey Design and Installation
- Air Condition Unit Installation
- UPS Installation
- Dedicated Power Service
- Raised Floor Install
- Monitoring of Critical Application (ACU, UPS, and Environmental
- Demo Work for (Data Centers, MDF Closets, and IDF Closets)
- Build out for Walls (Glass, Sheetrock, and Block) in Data Centers MDF Closets and IDF Closets

VOIP (VOICE OVER INTERNET PROTOCOL) SECURITY SOLUTIONS

- IP Presence
- IP Telephony
- Instant Messaging
- Audio Conference
- Video Conferencing, Web Collaboration
